CHRIST CHURCH QUINTET

"My music is the spiritual expression of what I am—my faith, my knowledge, my being. Thankfully now, through the merciful hand of God, I do perceive and have been fully reformed of His omnipotence."

—John Coltrane

Like few other experiences, listening to music has the capacity to stir the blood. It is no accident that music—particularly the sweet tones and intricate rhythms of jazz—has always found a home in the church. Jazz is poetry. It's emotion. It's worship.

Christ Church Vienna is one such place where jazz comes into the community of faith, into our lives, and into our very souls. Join us this spring season at our many opportunities for *jazz in the church*.
