This week's **LivingLight Blog #76: Living Light in Summertime!** invites you to join the *LivingLight* team's summertime fun: share some of what you see and feel over the summer months in regard to God's creation and creation-keeping in the form of a HAIKU. [Haikus](http://www.haikus.com) are a short form of poetry, originally from Japan, beautiful and easy to compose. Check out the invitation and some examples on <https://ccv-site.org/web/index.php/connect/living-light-eco-blog> And feel invited to compose a creation-minded thought or observation in three lines, sending it to [eco@christchurchvienna.org](mailto:eco@christchurchvienna.org)

#### Holy Communion from the Common Cup

The common cup has been restored symbolizing our unity in Christ. Note this is the **common cup**. Intinction (dipping the bread into the wine) is **NOT permitted for hygienic reasons and as directed by the bishops**. If you feel uncertain about drinking from the chalice continuing to receive the bread only is acceptable. Remain kneeling until the wine has passed to acknowledge the presence of Christ in both the bread and the wine. Should you have an active respiratory infection of any sort, we ask that you exercise caution and refrain from the cup.

**Coffee:** We are looking for volunteers to help with the refreshments after the main service on Sunday morning. Please pray about this and consider becoming involved in this ministry of welcome. There is no one down to help with the coffee this Sunday.

**MES Intern Accommodation 2022/23:** We are again looking for accommodation for the ministerial experience Scheme intern MES. Ádám will be joining us in September. Can you help? This year's intern comes from the Budapest chaplaincy.
