Sunday morning Bible study has resumed at 9.30 in the crypt with intern Ádám Bak. We are reading the Book of Revelation. All are welcome and no prior knowledge necessary.

We are looking for volunteers to help with the **coffee and refreshments** after the main service on Sunday morning. Please pray about this and consider becoming involved in this ministry of welcome.

Vienna Theater Project LADY DAY – Billie Holiday until 1 October 2022. Information: viennatheaterproject.com

Next Sunday is **Harvest Thanksgiving**. Donations of food such as tinned items, rice, sugar etc will be taken to the **Sisters of Charity** for use in their soup kitchen. If you have time to help decorate Saturday morning please come to the church between 9am and 10.30. You may want to contact Vivian and Herbert directly or contact the church office. We also need cars to help transport the produce to Mariahilferstrasse after the 10.30 service.

Holy Communion from the Common Cup

The common cup has been restored symbolizing our unity in Christ. Note this is the **common cup**. Intinction (*dipping the bread into the wine*) is **NOT permitted for hygienic reasons and as directed by the bishops**. If you feel uncertain about drinking from the chalice, continuing to receive the bread only is acceptable. Remain kneeling until the wine has passed. Should you have an active respiratory infection of any sort, we ask that you exercise caution and refrain from the cup.

The next dates for Christ Church volunteers to help out at the **'s Häferl soup kitchen** are 22 October and 26 November. If you are interested in joining the team, contact the office.

In preparation for the first Soundings session of the autumn you may like to read one of the spiritual classics of Christian spirituality: **The Interior Castle** by the 16th century Spanish Carmelite nun Teresa of Ávila. Tuesday 25 Oct., 19.00 in the church centre presented by Ádám Bak.

In this week's **Ecoblog** on our website the Environment Officer looks at King Charles' concerns for the environment, which go "back to the 1960s when he noticed the perils of the local salmon population in Scotland, stemming from overfishing in some waterways. He also publicly lamented the destruction of nature from oil pollution early on."
